

Life!
LIGHT!
Love!

Dear friends,

Abby lighting is a specialist supplier of lighting fittings for the commercial, industrial, institutional and domestic lighting sectors.

An in house production base with all manufacturing facilities supervised and controlled by a skilled and trained workforce, ensures complete quality control. The result is an exceptional range of products in which the lighting designers, the specifier, and the end users can have complete confidence.

Dedicated customers service, highly trained staff, and a wide range of innovative products along with a continuous innovation policy are our core strengths, which are available to all our customers so that we can serve you better.

We at Abby are always available to solve all the challenges you face, and are willing to work with you from project inception to completion.

This catalog aims, and we believe succeeds in providing a range of crucial decision making aids for an ambient lighting solution.

Yours sincerely,

Sanjay Bajaj

lights from the workshop

Enso- zen circle, is as Japanese word meaning "circle" symbolizing absolute enlightenment, the wholeness of the spirit, the void and myriad of things in between.

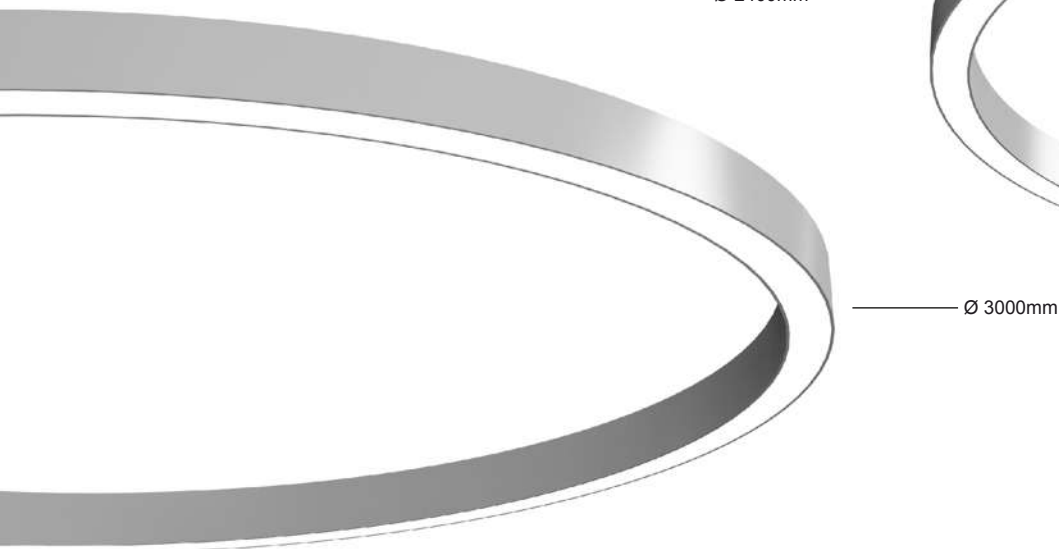

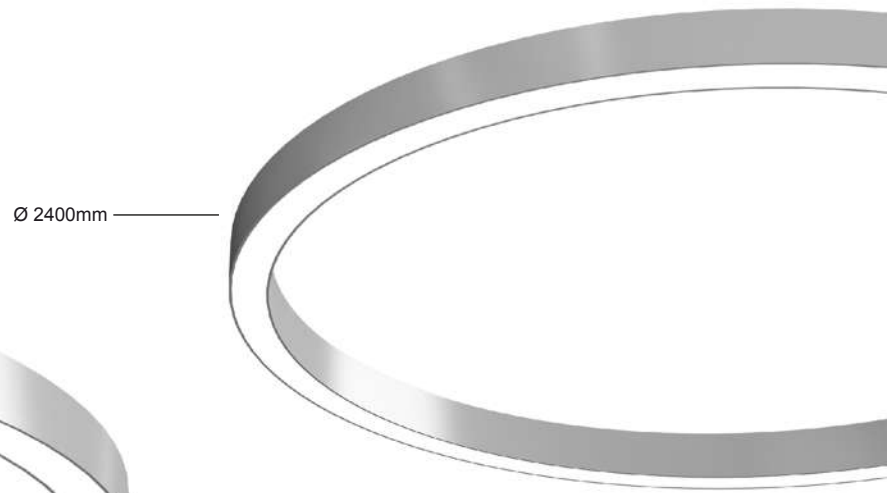

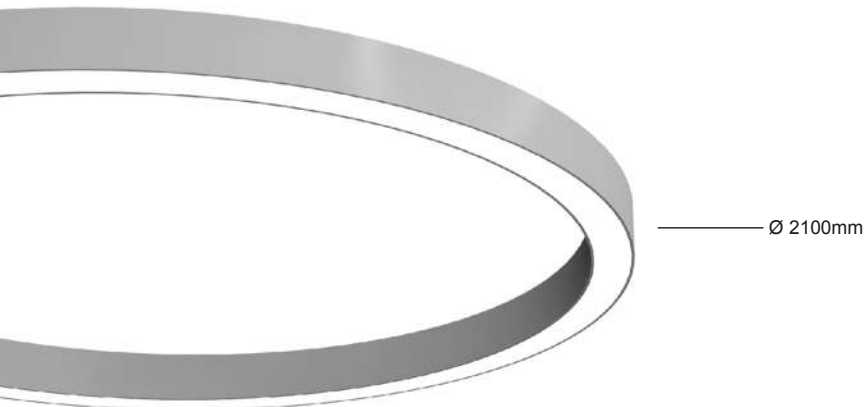

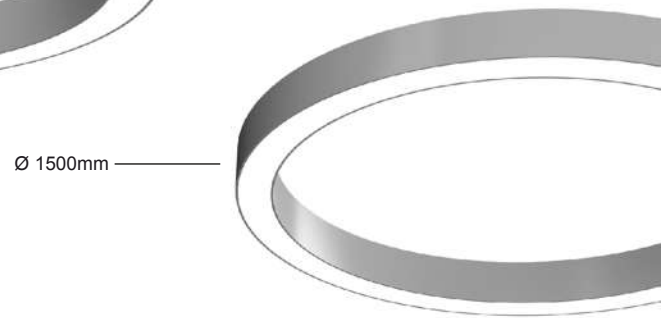

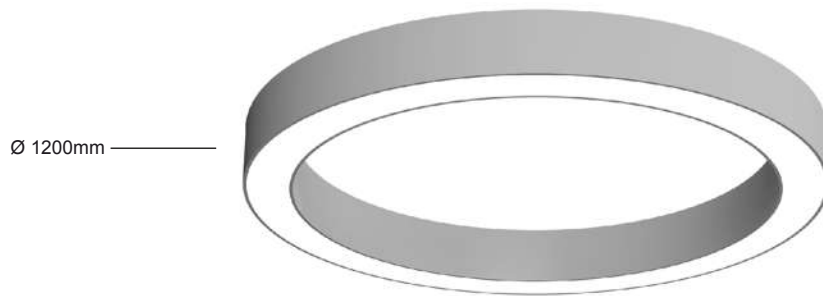

Enso is seemingly perfect in its continuity, balance and sense of completeness.

Enso is both - the most fundamentally simple and the most complex shape.

Enso, puristically simple, seems to float weightlessly in space.

To choose from, you have colors, sizes, and power, for the perfect fit that your architecture deserves.

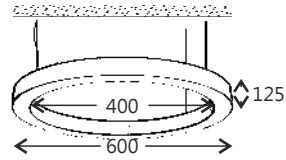

* To know more about the Enso range, please consult an ABBY representative.

**A circle is the reflection of eternity.
It has no beginning and it has no end.**

Circulo, the new classical and contemporary offering from Abby, lives upto this adage. Meticulously crafted using the finest manufacturing and led technology.

Circulo finds its place of grace in almost any living space.

The light as it shines downwards in a very soft beam, makes for a very pleasant ambience.

Circulo is based on a system that allows a wide variety of different applications - wall or ceiling surface, ceiling recess and suspended mounting.

Circulo is available from sizes 400mm round to 1200mm round.

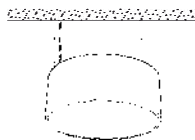

* To know more about the Circulo range, please consult an ABBY representative.

"Look at the sky. We are not alone.
The whole universe is friendly to us and conspires
only to give the best to those who dream and work"
Honourable Ex-President of India- A. P. J. Abdul Kalam

i-Sky, the new high on quality, aesthetics and illuminance luminaire - is a modern design suitable for universal architectural illumination. From warm and cosy lighting for the home to efficient work place lighting and wide-area general lighting.

The slim clear-cut design, uses the latest in manufacturing and LED technology to give the perfect luminaire for any taste. You can choose between various shapes, sizes and power for either surface, suspended or ceiling recess versions.

PROFILES

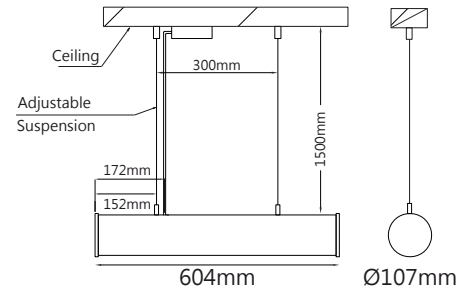

Samsara

Brief description of the product :

Named Samsara - a Sanskrit word, the literal meaning of which is "a wandering through" in reference to a passage, which also means "continuous flow"

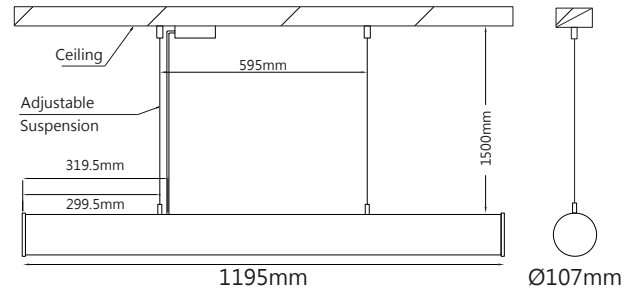

Soft, compelling, and powerful; Samsara is an ideal choice where you require wide spatial illumination on all planes. This sophisticated design is capable of unchallenged grace in any space. The versatility of the fixture allows you to play with various lengths and suspend at different heights.

Brief description of the product :

Inspired from one of the most famous fountains in the world, The Trevi Fountain, Italy—Trevi because of its three sided acrylic profile dispenses light on the horizontal plane (walls), vertical plane (workspaces), and the ceiling.

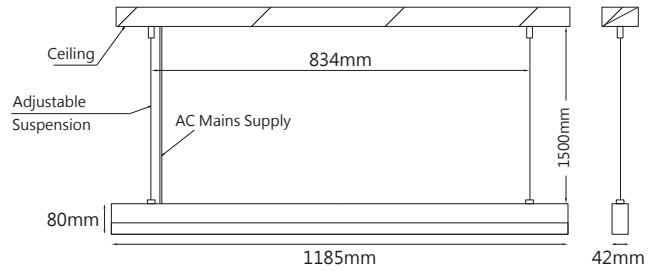

Stunning yet simple, Trevi with its sophisticated styling allows flexibility for continuous line lighting. This soft diffused light is suitable for multiple application areas.

Zen

Brief description of the product :

Clean lines, a distinct arc, and a meditative space to be appreciated for what it is!! Bare simplicity of the fixture, states its purpose with a Zen like presence. Zen is a harmonious combination of soft indirect lighting and advanced LED technology. The evenly distributed light is settling and provides a peaceful ambience.

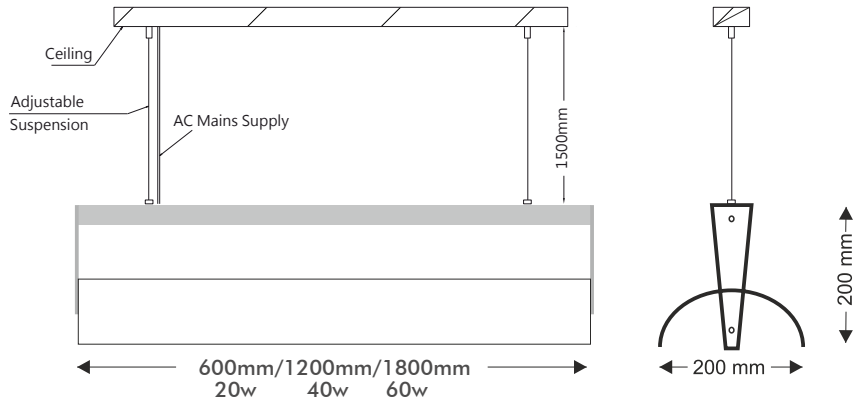

An absolute delight for those who enjoy functional aesthetics and glare free lighting.

Available as a suspended pendant, suitable for corporate, retail, and offices. Designed to be placed end-to-end; or side by side, if required to intensify light.

CHANNEL 1

Brief description of the product :

This simple and sleek luminaire is for recess mounting applications. A move from the conventional round and square fixtures, Channel 1 provides an elegant appearance and excellent light distribution.

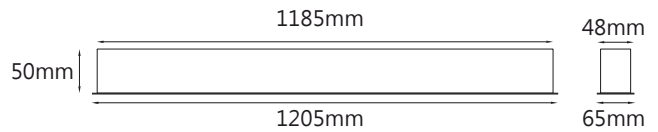

Its shallow recessing depth compared to conventional profile downlights makes its suitable for installation in low ceiling voids.
